

Profile _ _

Hi There,
I'm George
Mutune

www.elitemoran.com

About Me

I am an Experienced information security researcher, IT-Business, technology enthusiast, and author with a vested interest and experience in cybersecurity, cloud computing, artificial intelligence, data governance, brand protection, and regulatory compliance services and solutions. I also hold a BSc degree in Computer Science. Over the years, I have gained strong procedural and technical skills and 10+ years of experience researching security, IT, and business solutions.

A Fiverr profile card for a user named 'mutunemunyaka'. The card features a circular profile picture of a man with a 'TOP RATED' badge overlaid on it. Above the profile picture is a heart icon and an 'Online' status indicator. Below the profile picture, the name 'mutunemunyaka' is displayed in bold. Underneath the name is a bio: 'I'm your expert in cyber security and cloud computing content'. At the bottom of the card, there is a five-star rating and the text '5 (782 reviews)'.

WHAT THEY SAY

Testimonials

“On time and high quality. I need to add "my voice" to this, but starting at 90% complete is much better than starting from 0%.”

Capone6560
United States

“Always great service and consistency. Highly recommend!”

electrojay
Canada

“Thank you so much, Project #2 Done, Now we can jump to another project soon.”

mdnasiruddin2k
Lead Engineer at Google

Mutune is a joy to work with, very clear and organized. I look forward to working with him again.
